The Operations Management Committee will focus on the local service delivery system. This Committee will develop and implement strategies to create a coordinated and integrated workforce development system with all partner programs to serve the diverse populations that reflect our current and future workforce. The Committee develops system measures for the One-Stop and Access Sites and oversees the One-Stop Operator and Operations. This Committee will review the local training plan related to WIOA Adult and dislocated worker services to ensure alignment with the local and regional plan. The Committee will review reports from the One-Stop Operator on One-Stop Center operations to ensure alignment with local goals. The Committee will provide information and assist with planning, operation, and other issues relating to the provision of ADA services to individuals with disabilities. The Committee is comprised of Board members and representatives of all One-Stop Partner Programs. The Chair of the Program Operations Management Advisory Committee will be a member of the Board.
